ELEVATION™ ELECTRIC

NEFB36H-MF | NEFB42H-MF | Built-in electric fireplaces

The Elevation™ Electric fireplace is a unique blend of authenticity and innovation in home design. Its groundbreaking triple layer flames feature vibrant orange and yellow hues that flawlessly replicate the dynamics of a real fire; growing naturally from front to back and side to middle. Enhanced by premium glowing split oak logs and a modulating ember bed, it creates an authentic fireside ambiance. Effortless control is at your fingertips with a premium remote, the Napoleon Home mobile app, or an optional wall mount control. Designed with the same rough framing as our Elevation™ Series gas fireplaces, it allows you to frame now and choose your fuel later, offering unparalleled flexibility. Enjoy the unmatched realism and cozy warmth of the Elevation™ Electric Fireplace.

Features

- Requires no venting for easy and cost-effective installations
- 13 top light color options controlled via included remote; more customization offered via the Napoleon Home mobile app
- Tinted glass that maintains flame quality and makes the flames stand out more, ensuring optimal visibility even in bright sunlight
- ECO mode: runs at half heat – consuming less energy
- BOOST mode: heater at max heat with increased blower speed
- 120V delivers 5,000 BTU's/1,500 watts and 240V delivers 10,000 BTU's/3,000 watts (hardwire or plug-in)
- Available sizes (width): 36", 42"
